Maintenance Manager – Bell 2 Lodge

Situated in Northern British Columbia, some 360km North of Terrace, Last Frontier Heliskiing operates two remote heliski lodges. We are currently seeking an enthusiastic individual to fill a full-time **Maintenance Manager** position at our Bell 2 Lodge location. Preferred starting date: as soon as possible. We are looking for someone that would work year-round. Bell 2 Lodge offers world class heli skiing in the winter season [mid-December to mid-April] and operates as a hotel during the summer months.

The Maintenance Manager must be comfortable performing minor and major repairs of all building, generators, vehicles and equipment. Thorough attention to detail, friendliness, strong communication skills and professionalism play an important part in the services we provide to our guests.

Preferred Skills and Core Competencies:

- Able to operate a back hoe and skid steer.
- Electrical knowledge of housing and buildings.
- Good working knowledge of plumbing, hot tubs & boilers.
- Carpentry & shop fitting experience.
- Basic understanding of sewage treatment plant an asset.
- Able to lead a team of up to 7 people.
- Strong organization and scheduling abilities.
- Preference will be given to those with ticketed carpentry, electrical, plumbing or mechanical skills.

We provide accommodation and meals for all employees. Given our remote location, all communications are via satellite. There is no cell-service at Bell 2 Lodge and the internet connection is basic [not high-speed]. With its proximity to mountains, lakes and rivers, Bell 2 Lodge is an exciting place for outdoor enthusiasts both in the winter and summer. If you have a passion for the outdoors, are keen to put a smile on peoples' faces and contribute positively to a team, we look forward to hearing from you. Please submit your application to: work@lastfrontierheli.com

Remuneration for this position negotiable depending on qualifications and experience. We require someone with strong leadership skills and expertise.
