

Maintenance Assistant – M3

We are currently seeking an enthusiastic individual to fill a full-time maintenance position at our Bell 2 Lodge location. Bell 2 Lodge offers world class heli skiing in the winter season [mid-December to mid-April] and operates as a hotel during the summer months. The M3 Assistant requires strong knowledge and skills working in trades.

Preferred Skills and Core Competencies:

- Team oriented and genuine interest to expand skills.
- Experience operating equipment, such as backhoe loader, skid steer, diesel generator, chain saw, log splitter, etc.
- Working knowledge of one or more trades is an asset.
- Technical skills such as mechanics, hydraulics, refrigeration and water treatment are an asset.
- Experience working with contractors and coordinating renovation projects.
- Experience with Computerized Maintenance Management Systems (CMMS).
- Certification or related experience in facility management.
- Strong data collection skills.
- Flexibility and a positive attitude.
- Being physically fit and able to lift at least 50lbs.
- First Aid Level 3.

We provide accommodation and meals for all employees. Our shifts are three weeks on and one week off. Given our remote location, all communications are via satellite. There is no cell-service at Bell 2 Lodge and the internet connection is basic [not high-speed]. With its proximity to mountains, lakes and rivers, Bell 2 Lodge is an exciting place for outdoor enthusiasts both in the winter and summer. If you have a passion for the outdoors, are keen to put a smile on peoples' faces and contribute positively to a team, we look forward to hearing from you. Please submit your application to:
